SP67851 Previous unanswered requests.

"Dear Jay,

The representatives of the Residential, Commercial and BMC at 200 William St, Woolloomooloo have made numerous requests for specific documentation as well as updates for critical works currently in progress within these schemes, yet we have received little to no response from your organisation.

This lack of response and action has been a common occurrence from your organisation, which we now view as a serious breach of your Management Agency Agreement, and as such the combined Owners Corporations wish to seek alternate management as soon as possible.

As previously requested, please forward all relevant current Strata Management contracts in place, as well as the relevant Strata rolls for each scheme.

Failure to comply with this request within 14 days of receipt of this email will be considered as a resignation from duties as manager at all schemes, and a subsequent cessation of contractual obligations on behalf of the relevant Owners Corporations."

Secretary SP67851
